DIY Fundraising for BVO - Third Party Events

Want to support BVO's Heart of Our Community campaign? Great! Creating your own DIY (Do It Yourself) fundraiser for BVO is easy! Here's how it works:

1. Dream up an idea with co-workers, neighbors, friends or family!
2. Contact the BVO team to let them know what you would like to do. If it is a good fit we can provide our logo and help you promote your event.
3. Invite a BVO representative to speak at your event if you are interested.
4. Collect addresses for any of your donors who would like tax receipts (\$20+) or share our online donation link.
5. Drop off your donations and get your photo taken with the BVO team so that we can recognize you in the community!
