Making Good Things Happen in Our Community Awards 2023

To honour the 40th anniversary of Beaver Valley Outreach in 2023, and our mission to enhance the social, economic, and environmental well-being of people in our community, we are announcing special awards for this special year.

BVO will be presenting four “**Making Good Things Happen in Our Community Awards**” of \$1000 each, one for each decade of our 40 years, to recognize individuals or groups who have made a positive impact on our community during 2023.

While BVO applauds all volunteering efforts, this is not a reward for volunteering. We are looking for community impact that has a recognizable, positive outcome. Any individual or any group wishing to be considered can either be nominated or apply.

For more information contact: Catherine Sholtz, 519-599-2577 ext. 122
