“It Was a Very Good Year...”

As we look back on our 40th Anniversary year, we are happy that so many of our BVO family joined us for our celebratory events. Whether you are a volunteer, a staff member, a partner, a person who uses our programs and/or services, a donor, or someone who just likes shopping in our Treasure Shop, we are very grateful for your support.

In our annual report, you will find lots of pictures showcasing the various activities that went on during 2023; there was quite a variety, some run by BVO, and some with partners. We thank the many people who were involved in all the planning and running of these events, especially our 40th Anniversary Committee.

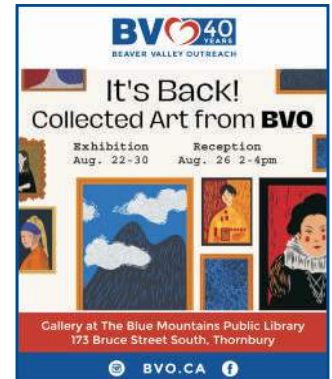

Did you know that although BVO began in 1983, it was incorporated on February 29, 1988, and that Norine Baron was one of the original founders? For her work with BVO and other community organizations, Norine was honoured with a 2023 Ontario Senior Achievement Award presented by the Lieutenant Governor.

We recognize and encourage the multiple ways that our amazing staff and volunteers work together to provide our programs and services. As you will also see in this report, BVO continued to have a positive impact in our community and our environment throughout the year, in spite of our celebrations. We could not continue to do this without the ongoing support of our partners and donors who help us keep BVO sustainable and able to provide for many of our community's needs. Our new strategic plan presents us with challenges and opportunities to continue our mission and to build a strong, inclusive community.

Cheers to BVO and the next 40 years of making good things happen in our community!

In Memory

BVO remembers these very special people who passed away in 2023:

Marty Lacey

Marty moved to Slabtown in 2000 and was immediately conscripted into our BVO family through founding member Hazel South. Thus began 22 years of continuous service with BVO. Marty served in many capacities. She was a committed Breakfast Club Volunteer and a presence at any of BVO's fundraiser's, always with a friendly smile at our Silent Auction and Thanksgiving Dinner. She was perhaps best known as a long-time Board Member and our BVO Treasurer, ready to hunt down any errant penny to make the books balance. Last, but not least, Marty will always be remembered for her Wednesday egg salad sandwich-making - on whole wheat bread and without onions.

Muriel Anderson - A driver who was genuinely interested in people, Muriel was a great conversationalist and advocate for BVO and the issues it cares about.

Jim Armstrong - A volunteer driver and Breakfast Club volunteer before moving to Ecuador, Jim was always ready and eager to promote BVO in the local news.

Rob Byrne - Organizer of a summer Ball Hockey Tournament and a Christmas helper, Rob was always an enthusiastic champion of BVO.

Eileen Gamble - An important member of our Seniors team and previously an occasional driver, Eileen was the BINGO aficionado for our Seniors Centre Without Walls program. She played regularly and enjoyed being a caller from time to time.

Jean Gauthier - A long time Treasure Shop volunteer (women's clothes), Jean was a gentle, agreeable lady, always with a mischievous gleam in her eye.

Roland Gosselin - A volunteer at Answers4Seniors and a valuable member of our Seniors team, Roland's inquiry into having a single resource person that a senior could go to for information led to BVO's service to individuals needing help navigating and accessing complicated systems.
